

SUDHAN.V

Aspiring Software Developer

+91 8925234696 | sudhan.codes@gmail.com | www.linkedin.com/in/sudhan-v

CAREER OBJECTIVE

Seeking an entry-level position in the field of software development to apply all my learnings and grow in a dynamic software development team.

EDUCATION

- **B.sc** || St. Thomas College of Arts and Science, Chennai || May 2025
- **HSC** || Madras Christian College Higher Secondary School, Chennai || March 2022
- **SSLC** || TTA Matriculation Higher Secondary School, Chennai || March 2020

TECHNICAL SKILLS

Core Java:

- Experienced in working with strings and performing various string operations.
- Skilled in using arrays and implementing array-based operations efficiently.
- Strong understanding of Object-Oriented Programming (OOP) principles such as inheritance, polymorphism, abstraction, and encapsulation.
- Proficient in applying loops and conditional statements for logical control flow.
- Familiar with the Collections Framework, including List, Set, and Map interfaces.

HTML:

- Created interactive web applications using tags such as form, input, pre, marquee, and option.

CSS:

- Designed and styled web pages to provide responsive layouts and visually appealing interfaces.

JavaScript:

- Implemented dynamic and interactive functionalities to enhance user experience and front-end performance.

MySQL:

- Worked on creating databases and performing CRUD operations such as inserting, deleting, and updating records.

PROJECT:

1, Title: Responsive Portfolio

Tools & Technologies Used: HTML, CSS, JavaScript

DESCRIPTION:

Built a responsive portfolio using HTML, CSS, and JavaScript featuring interactive UI, project showcase, contact integration, and optimized performance for mobile, tablet, and desktop devices.”

2, Title: Driver Booking Service

Tools & Technologies Used: HTML, CSS, JavaScript

DESCRIPTION:

Built a Driver Booking Management System enabling customers to book drivers online through a responsive web interface. Implemented booking forms, driver selection, and dynamic UI using HTML, CSS, JavaScript. Improved user experience by digitizing the driver hiring process.

AI-ASSISTED DEVELOPMENT

- Used AI tools (ChatGPT, Gemini, Perplexity, Grok, DeepSeek, Cursor, Claude,) for coding, debugging, and UI optimization.

PERSONAL DETAILS

Gender: Male

Date of Birth: 10 September 2004

DECLARATION:

I hereby declare that the details given above are true to the best of my knowledge and belief.

Name: V. Sudhan

Place: Chennai
